

Many have asked me for some LimeMagPlus mix for doing comparative trials in 10m square blocks, and a fertiliser mix for lawns and gardens.

Some is now available from John and Lynda Kamphuis, 33b Marshmeadow Road, Eureka, just east of Hamilton. 3286. Phone 07-858-2200

Google for 33b Marshmeadow Road, Eureka, Hamilton. 3286. It is not far from DairyNZ, Scott Farm and LIC.

Email: [john.kamphuis@maxnet.co.nz](mailto:john.kamphuis@maxnet.co.nz)

They have kindly bought more than they need and are selling some to help those requiring small amounts.

If you'd like some, please phone or email them and say how much, and what time you'd like to collect it.

It is in bulk so please take buckets and/or bags.
